WORK EXPERIENCE

Outlier AI

July 2023 – Present

AI Trainer

Remote

- As an AI Trainer, I refined the chatbot as needed to ensure alignment with project goals while collaborating with team members for process optimization and AI model improvement.
- I made the AI excel across diverse competencies including classification, Q&A, critique, data extraction, writing (creative, professional, scientific), rewriting, summarization, ideation, pattern recognition, puzzles, multimedia analysis, advice, planning, tutoring, and contextual challenges.

Pulse Fitness TR

Oct. 2020 – Sep. 2022

Fitness & Technology Professional

Ankara, TR

- **As a Webmaster**, I led the development and maintenance of multiple fitness-related websites and associated server systems, prioritizing seamless functionality and enhanced user experiences.
- **As a Salesperson**, I leveraged persuasive communication prowess to drive sales of gym memberships and supplements, effectively conveying the value proposition to potential customers.
- **As a Bodybuilding Trainer**, I engaged with individuals on a personal level, imparting knowledge and guidance on bodybuilding techniques and lifestyle, fostering a supportive and educational environment for clients.

EDUCATION

Atılım University --> Social Sciences University of Ankara

February, 2024

BA, English Language & Literature

Ankara, TR

- Honour Student; 3.3/4.0 GPA
- I received **Letter of Appreciation** in 2018-2019 period, **Honour Student Certificate** both in 2018-2019 and 2019-2020 period, also **High-Honour Student Certificate** in 2020-2021 period.
- I attended a student club named "IDEA" as a board member. I rebranded the club and managed the development process.
- I started studying at Atılım University, then transferred to Social Sciences University of Ankara and graduated from there.

Anadolu University

August, 2022

AA, Web Design and Development

Eskişehir, TR

- I gained knowledge about Laws of the Internet, Cyber Management and Cyber Security, Entrepreneurship and Business Establishment, Graphic Design, and lastly Internet Ethics and Copyright.
